Re-certification testing starts promptly at 8:30 am on all dates (including days where we provide initial training). On days where initial training is provided re-certification hours are 8:30 am to 2:00 pm. For all other dates, recertification testing hours are 8:30 am to 4:30 pm.

Initial certification attendees will need to arrive before 7:45 am for equipment orientation. Students will test from 8:30 am to 2:00 pm with the classroom lecture 2:30 pm to approximately 4:30 - 5:00 pm.

If you plan on arriving in the afternoon we ask that you make prior arrangements, otherwise call to make sure we're still testing. Once everyone has completed testing we pick up. Also if you have registered late, (less than 1 week in advance) **please call us** as we may not have access to that information.

On 2 day events if no one has registered to attend the second day, we will move on to the next location thus eliminating the 2nd day. You will need to contact us by 12 noon of the 1st day. So be sure to remain in contact with us!

Registration: Registration and payment of fees should be completed at least 7 days prior to the event. Once an observer is registered, he/she may attend any of the subsequent testing events in the same season (Spring or Fall). This avails all dates to observer. Online registration is encouraged at www.smokeschoolinc.com or Phone 509 388 1005. Major credit cards accepted.

On-Site Registration: On-site registration is available, but at an added cost. The fee must be paid (or signature authorizing payment) prior to the start of testing. If you are choosing to arrive after 9:30 am please call before 9:30 am.
